VENTUROUS MODULAR TRUCK CAP LIMITED LIFETIME WARRANTY

Thank you for purchasing a Venturous Truck Tops Product. We offer one of the most wide-ranging warranties in the industry

Warranty coverage begins at the date of purchase by the retail customer for a Venturous Truck Tops manufactured product. Coverage is valid for original purchaser and original vehicle.

STRUCTURE

- Venturous Truck Tops warrant to you, the original retail purchaser of a Venturous brand fiberglass truck cap, that the body will be structurally free from defects in material and workmanship for as long as you own your cap and the original vehicle. The body includes the fiberglass panels and frame rack.

FINISH

- The Venturous Modular Truck Cap comes with a durable gel coat finish that is warranted not to peel due to material or workmanship.

COMPONENTS

- Doors, windows, gas shocks, locks, lights and all other hardware components are warrantied for one year from the date of purchase.

DELIVERY RECEIPT

- Products are considered free of cosmetic scratches and blemishes upon delivery. Product issues must be noted upon delivery. Claims for scratches or other imperfections will not be accepted once delivery has been completed.

HANDLING AND INSTALLATION

- The Venturous Modular Truck Cap is designed to be easily installed and removed with just one tool.
- The owner is responsible for any installation fees should they choose to have their Venturous Modular Truck Cap installed by an authorized dealer.
- The Venturous Modular Truck Cap is easily reconfigured to function as a full top or bare frame. Proper installation requires all panels to be interlocked and closed when used as a full top.
- Venturous Truck Tops is not responsible for any damages or injuries if the owner has incorrectly installed or used their Venturous Modular Truck Cap.

AFTERMARKET PRODUCTS

- The installation of a Cap may cause some wear and/or scuffing to the paint.
- Venturous Truck Tops is not responsible for mishaps during consumer installation.

EXCLUSIONS FROM LIMITED WARRANTY

- Accessories installed by anyone other than the factory.
- Any fading or peeling of the painted product surface that may result from misuse, impact, or normal wear and tear.
- Damage resulting from operating your vehicle with the cap door open. Need all panels to be interlocked and closed when operating your vehicle.
- Damage due to accidents, misuse, alterations, acid rain, airborne fallout (chemicals, tree sap, etc.), salt, road hazards, hail, wind storm, floods, and other natural disasters, lack of proper care and maintenance or normal wear and tear. Paint wear and abrasions on the truck bed rails and elsewhere where the cap contacts the truck is considered normal wear and tear, and is expected with the installation and use of any truck cap; and is the sole responsibility of the pick-up truck owner.
- Improperly installed caps.
- Glass breakage or light bulbs.
- Fit to any non-OEM surface

REPAIRS

- All repairs shall be performed at the Venturous Truck Tops manufacturing facility.
- Some minor adjustments may be authorized to be done at an authorized dealer. Please contact Venturous Truck Tops Warranty department for authorization prior to any repair or adjustments.
- If a local repair is authorized, it must be registered with our Warranty department.

PROOF OF THE RETAIL PURCHASE DATE MUST BE PRESENTED AT THE TIME OF ANY CLAIM

- The original bill of sale will provide this proof.

WARNING: DO NOT OCCUPY THE TRUCK BED WHILE THE ENGINE IS RUNNING, OR THE TRUCK IS IN MOTION. IT IS THE RESPONSIBILITY OF THE OWNER AND OPERATOR THAT THIS POLICY IS ADHERED TO. WEIGHT CAPACITY PERTAINS EXCLUSIVELY TO THE TRUCK TOPPER. CONSULT THE MANUFACTURER SPECIFICATIONS FOR YOUR TRUCK BED'S WEIGHT LIMIT AND REFRAIN FROM EXCEEDING THE MANUFACTURER'S RECOMMENDATION.

This express limited warranty is the sole and exclusive warranty provided by Venturous Truck Tops for this product. Venturous Truck Tops does not make and hereby disclaims any and all other express or implied warranties, including but not limited to the implied warranty of merchantability and the implied warranty of fitness for a particular purpose.

YOUR NEW VENTUROUS TRUCK TOPS CAP MUST BE REGISTERED TO MAKE THE WARRANTY VALID

VENTUROUS MODULAR TRUCK CAP CARE & MAINTENANCE GUIDE

Congratulations on your new Venturous Modular Truck Cap. It is manufactured from high-quality fiberglass using our PolyFuse® process and finished with a durable exterior gel-coat surface. Proper care will help maintain its appearance and provide years of reliable service.

A NOTE ABOUT GEL COAT FINISHES

Your Venturous Modular Truck Cap features a premium gloss gel-coat finish. Like black automotive paint, dark glossy surfaces naturally show dust, fingerprints, and minor surface marks more readily than lighter colors or textured finishes.

Routine washing, proper care, and periodic waxing will help maintain the appearance of your Venturous Modular Truck Cap for years to come!

FIRST CLEANING

Before installation, wash all exterior surfaces using:

- Mild automotive wash soap.
- Clean water.
- A soft microfiber cloth or wash mitt.

Avoid using:

- Abrasive cleaners.
- Scouring pads.
- Solvent-based cleaners.
- Dishwashing detergents.
- Steel wool or abrasive brushes.

These products may damage the gel-coat finish.

PROTECTING THE FINISH

For maximum appearance and durability, apply a quality automotive wax or marine gel-coat protectant after installation.

Benefits include:

- Enhanced gloss and appearance.
- Improved UV protection.
- Easier cleaning.
- Increased resistance to minor surface marring.

Reapply wax or sealant every 3–6 months or as needed.

WASHING RECOMMENDATIONS

To prevent scratches and maintain appearance:

- Rinse away dirt and debris before wiping.
- Use a clean microfiber cloth.
- Dry with a clean microfiber towel.

Avoid:

- Dry wiping dusty surfaces.
- Using dirty towels or rags.
- Allowing mud or grit to remain on surfaces during washing.

Like black automotive paint, gloss black gel coat can show fine scratches if improper cleaning methods are used.

DURING INSTALLATION

To protect your Venturous Modular Truck Cap during assembly:

- Place components on blankets, foam, or other soft surfaces.
- Keep tools away from finished surfaces whenever possible.
- Lift panels into position - do not drag them across one another.
- Avoid placing components directly on concrete, gravel, or rough surfaces.

LONG-TERM CARE

To keep your Venturous Modular Truck Cap looking its best:

- Wash regularly.
- Remove bird droppings, tree sap, bug residue, and road contaminants promptly.
- Inspect periodically for chips, scratches, or loose hardware.
- Store indoors when practical for maximum finish longevity.

All of us at Venturous Truck Tops truly appreciate your business!

Venturous Truck Tops is built on innovation, craftsmanship, and a commitment to building truck tops that work as hard as you do. Proudly engineered and manufactured in the USA, our fiberglass and advanced material caps are designed to be durable, dependable, and ready for both the jobsite and weekend adventure. Every product is built with purpose and performance in mind. ***Adventure, Covered.***
